Goals, Objectives & Measures - Annual Performance Report

- Specific: usually answers the five ‘W’ questions.
- Measurable: usually answers the one ‘H’ question.
- Achievable: is a reality check.
- Relevant: demonstrates impact.
- Time Bound: Annual reports based on annual targets. Is it a reasonable time for the accomplishments required of the project’s goals?

What is GPRA?

GPRA stands for: Government Performance and Results Act.

The foundation of GPRA is based on the following three elements required of all federal agencies:

• A Five-year Strategic Plan that includes long-term, results-oriented goals covering each of its major functions.

• An Annual Performance Plan that establishes the performance goals for the applicable fiscal year, a brief description of how these goals are to be met, and a description of how these performance goals and outcomes were evaluated.

• An Annual Performance Report that reviews the agency's success or failure in meeting its targeted performance goals.

The GPRA Measures that grantees submit contribute to the OELA Annual Performance Report to Congress.
2016 NAM GPRA Measures

- **Measure 1**: The number and percentage of ELs served by the program who score **proficient or above** on the State reading assessment.

- **Measure 2**: The number and percentage of ELs served by the program who are **making progress** in learning English as measured by the State-approved English language proficiency assessment.

- **Measure 3**: The number and percentage of ELs served by the program who are **attaining proficiency** in English as measured by the State-approved English language proficiency assessment.

Note: Data from local assessments are acceptable for evaluation under a performance measure only in cases in which a grantee is in a state that is undergoing an assessment transition.
2016 NAM GPRA Measures (Continued)

• **Measure 4:** The number and percentage of students served by the program who are enrolled in Native American language instruction programs.

• **Measure 5:** The number and percentage of students making progress in learning a Native American language, as determined by each grantee. This may include measures such as performance tasks, portfolios, and pre-and post-tests.

• **Measure 6:** The number and percentage of students who are attaining proficiency in a Native American language as determined by each grantee. This may include measures such as performance tasks, portfolios, and pre-and post tests.
For programs that received Competitive Preference Points:

- **Measure 7**: The number and percentage of preschool children ages three and four enrolled in the program.

Explanation of Progress (Include Qualitative Data and Data Collection Information)
Discussion Break

Work with the people at your table to discuss:

• The GPRA Measure Targets.
• Your Project-Specific Performance Measures.

Questions to ask each other:

1. How are you addressing the GPRA measures you selected for your project?
2. What are your GPRA targets and how did you determine them?
3. What data will you collect and how will it be analyzed for reporting?
4. How would you apply these same questions to your Project-Specific Performance Measures?
BUDGET MANAGEMENT

POST AWARD REQUIREMENTS:

• Grants will be governed by the Uniform Guidance, 2 CFR Part 200, as adopted by ED at 2 CFR 3474.

• Additional Information on the Uniform Guidance can be found in the FAQs and at this website:

• Fiscal Management Training:
  http://www2.ed.gov/fund/grant/about/training-management.html
BUDGET MANAGEMENT (CONTINUED)

BUDGET JUSTIFICATIONS:
All project costs must meet the following criteria:

• **Allowable** – Either permitted or not specifically prohibited; and necessary for project success.

• **Allocable** – Expended for a particular purpose or time period that benefits the grant.

• **Reasonable** – Costs that would be incurred by any prudent person.

• **Necessary** – Needed to implement the grant.
BUDGET MANAGEMENT (CONTINUED)

DRAWDOWNS:

- Make timely drawdowns
- Request funds only for immediate needs.
- Minimize time between drawdowns and disbursements.

CARRYOVER: (2 CFR 200.308(d) & 34 CFR 75.253(d)(1))

- Carryover refers to the movement of unexpended funds from one budget period to the next. Under expanded authorities, you do not need prior approval.
- In your annual report, we will ask you to explain any unexpended funds or delayed activities.
The “Expanded Authorities” Amendments:

Provisions in 2 CFR 200.308 that allow grantee flexibility to make post-award changes and budget revisions that are consistent with the activities and budgets in the approved application and that do not change the scope or objectives of the grant.
Grant changes still requiring prior approval
(i.e., not permitted by “expanded authorities”)

- Changes in project scope or objectives.
- Changes in the project director or other key persons specified in the award document (see box 5 of the GAN).
- The absence for more than 3 months or a 25% reduction in time of the approved project director.
- The need for additional Federal funds.
- The transfer of funds allotted for training allowances to other categories.
- Transfer or contracting out of any work (does not apply to supplies, material, equipment or general support services).
NEXT STEPS
